

Musical Theatre

Course Objective: Through the workshop process, students will explore the many facets of musical theatre through performance and research.

Expectations of Students

- Attend all class sessions and be punctual
- Use the restroom and get water before class
- Participate fully in all activities and discussions
- Have a positive and open attitude
- Collaborate with peers on projects, research and activities
- Support your peers
- Allow for personal growth (be willing to take risks to be creative, to be self-reflective on successes and challenges)
- Demonstrate ability to use terminology, skills and concepts learned during class

Units of study will include, but not be limited to:

- Aug-Feb (until the musical is over)
 - Auditioning for musical theatre
 - Voice and vocal health
 - Movement
 - Viewpoints/acting styles
 - Costume making
 - Set/prop design
 - Hair/makeup design
 - Light/sound design
 - Publicity/PR
- Feb-May
 - Musical Theatre Revue

Assessment/evaluation/grading policy:

Participation and Daily Work	85%
Projects and Performances	15% each

Materials:

- Composition Notebook
 - Notebook will be used as an actor's journal during the course of the class. This should be separate from notebooks used in other classes and will be kept in the choir room.
- Pens, Pencils, Highlighters
- Various props, costumes as needed

In addition, field trip opportunities may arise to see local performances at a discounted rate. If such an opportunity should arise, students will be given advance notice.

****All Musical Theatre students are required to audition for the musical.****
(If your schedule doesn't actually allow you to be in the musical, that's ok...we just want you to get the audition experience!)
